These investments are governed and monitored on daily basis by the Reserve Bank of India (RBI). On reaching the aggregate ceiling limit as fixed by RBI from time to time, the RBI advises all designated bank branches to stop purchases on behalf of their FIIs/NRIs/PIOs clients. The Reserve Bank also informs the general public about the 'caution' and the 'stop purchase' in these companies through a press release. If the Client is an FII/ NRI/ PIO, the Client hereby acknowledges that he/she is aware of the RBI guidelines in relation to his investments in the secondary market in India. 16. The Client understands that the Member has relationship with one or more banks (the "Relationship Banks"). The web site of the Member has a payment window through a link to the web site of the Relationship Bank, which provides the facility. In such a case, the Client would make the payment for securities purchased by him/her/it by crediting the purchase amount (along with the indicated brokerage amount) directly to the account of the Member with the Relationship Bank by means of a fund

transfer. Similarly in the case where the Client makes an order for sale of securities the Member would credit the account of the Client with the Relationship Bank by means of a fund transfer on the pay-out date of the relevant Exchange on which the sale transaction is carried out. The Member expressly states that the payment gateway mechanism is a service offered by the Banks with whom the Member has established relations for facilitating the transfer of funds between the Client's account and the Member's account. The Client shall separately evolve/evaluate all risks arising out of the same.

(c) Mistakes and Errors:

The filling in of applicable data for transfer would require proper, accurate and complete details. For instance, the Client is aware that they would be required to fill in the account number of the Member to whom the funds are to be transferred. In the event of any inaccuracy in this regard, the funds could be transferred to incorrect accounts and there is no guarantee of recovery thereafter. The Client shall therefore take all care to ensure that there are no mistakes and errors and that the information given by the Client to the Member in this regard is error free, accurate, proper and complete at all points of time. On the other hand in the event of account receiving an incorrect credit by reason of a mistake committed by some other person, the Member or the bank shall be entitled to reverse the incorrect credit at any time whatsoever without the consent of the Client. The Client shall be liable and responsible to the Member and accede to accept the Member's instructions without questions for any unfair or unjust gain obtained by the client as a result of the same.

18. The Member may suspend or terminate Electronic Payment Gateway for Net banking facilities without prior notice.
